JIS 2021 Summer School

Welcome to Summer School 2021 at JIS!

We have planned another very special summer school program where students can come and learn English in a safe, clean and all English environment.

Let's celebrate summer and learn English together!

This year we have 3 courses to choose from.

A - From 9:00 am ~ 3:00/5:00 pm **Learn and Play Course Beginners** - A fantastic course for those students who wish to have fun whilst learning English! *Rhythmic activities, songs, dances, art, worksheets and group activities. Recommended for students who are still learning to write and love to move! Recommended for preschool and Kindergarten students.

B - From 9:00 am ~ 3:00 pm **Learn and Play Course Intermediate** - This is a great course for students who already have a good understanding of English and want to improve whilst studying a variety of interesting topics. *Science experiments, math, reading, writing, listening and art. Recommended for students who can write by themselves and enjoy studying! Recommended for Advanced Kindergarten Students all the way up to Elementary school.

C - From 3:00 pm - 5:00 pm **Summer Study Space - Snack Included!** - Come and enjoy a space where you can study at your leisure. Do you need to make something over the holidays for school? We can help you here! Bring your homework, English, Math, Science, Workbooks and Worksheets in either Japanese or English. Our teachers will help you with whatever you need. We will provide you with everything you need including an afternoon snack- Elementary/Junior High School students

The minimum number of students for 1 class is 5 students. If there are less than 5 students on your chosen day we will contact you to arrange a different schedule. (Maximum number of students for 1 class is 12 students)
